

Adventure Learning Courses

Last remaining availability - Discounted Winter Rates!

Ty'n y Berth can provide a wide range of courses all designed with the needs of your students in mind. Here are just some examples of what a residential adventure learning course can do for your students.

Primary Adventure

At KS2, courses are designed to allow children to challenge themselves and achieve success from a variety of exciting adventurous activities in the wilds of Wales!

Venues for your adventures could include Mountains, Gorges, Rivers and Forests, with activities adapted for the needs and abilities of your group.

Want results? Structure your week with classroom revision sessions each morning and evening!

Secondary Adventure

At KS 3, place the emphasis on Teamwork, Leadership and Co-operation, allow your students to gain confidence in their own abilities, and an understanding of the needs of others.

Mine, Rock and Mountain Adventures will present your students with an unparalleled learning environment.

Adventure Geography

For KS4 groups, allowing your students to make first hand observations and measurements brings geography to life! Rivers, Coasts, Uplands, and Energy take Geography out of the classroom making it relevant, meaningful, adventurous and fun!

Raise achievement – Meaningful Fieldwork gains As!

PE & BTEC – Outdoor and Adventurous Activities

Allow your students to participate and develop in a range of adventure sports including climbing, canoeing, orienteering or mountain activities. Courses are structured to allow students to quickly progress through one or several activities.

Perfect for students who do not enjoy conventional sports and ball games!

Example price: £150+vat per student for a Monday-Friday fully residential course.
