

'Wassailing around the apple tree, the apple tree, the apple tree
Wassailing around the apple tree, on a cold winter's morning.'

'We Sprinkle wassail on the roots, on the roots, on the roots
We sprinkle wassail on the roots and ask the tree to grow well.'

'We hang the toast upon the tree, upon the tree, upon the tree
We hang the toast upon the tree, to welcome home good spirits'

'We make a noise around the tree, around the tree, around the tree
We make a noise around the tree, to frighten off bad spirits. '
