## Scoring

Have a look at your answers and add up how many of each answer you have got and write the numbers below.

A's =

B's =

C's =

Now look below to find out how environmentally friendly you are!

**Mostly A's - You are a Wicked Wasted**

We really need you to think more carefully about what you do with your rubbish in the future.

**Mostly B's - You are a Rocking Recycler**

You try really hard to help look after the environment, well done!  
Keep up the good work.

**Mostly C's - You are a Terrific Tryer**

Good work, you obviously try to help look after the environment,  
but there is still room for a bit of improvement.
